

Order form for PLOG 4.1 activation code

Procedure:

When the program is started for the first time, a window opens with an input mask for activation:

The input window shows the so-called "Node ID" in the upper line (A). Click the button (B) to copy it to the clipboard. Then insert the Node ID in the form below and send via email to ATEX.

You will then receive an activation code from ATEX. This may take up to 3 working days.

After receiving your activation code, copy and paste it into the field (C) and confirm it by clicking the "Activate" button (D).
